**Governing Cuomo announces 36th proposal of 2020 State of the State: strengthening oversight of other medical professionals**

**New Requirements Protect Patients by Eliminating Authority of Department of Health's Office of Professional Medical Conduct**

*NEW YORK* Wednesday, Andrew C. Cuomo, Governor of New York State, announced his 36th proposal of 2020 State of the State address. The proposal aims to eliminate the authority of the Office of Professional Medical Conduct (OPMC), which has been responsible for investigating and penalizing doctors deemed unlicensed or unqualified to practice medicine in New York State. According to the Governor, the OPMC has been accused of being too lenient in its oversight, allowing hundreds of doctors to continue practicing without proper licensing.
